

ERIKA B. REPONTE

Operations & Sales Specialist | Compliance & Lead Generation

0962 840 5886 | ebinondo.reponte@gmail.com

PROFESSIONAL SUMMARY

Results-driven Operations and Sales Specialist with a strong track record of driving growth and maintaining strict compliance across UK, Australian, and global accounts. Combines high-volume B2B cold outreach with highly targeted, compliance-sensitive list building and rigorous KYC/regulatory standards. A data-driven problem solver proficient across major CRM platforms, dedicated to converting cold pipelines into qualified handoffs while protecting brand integrity.

PROFESSIONAL EXPERIENCE

Lead Generation Specialist

June 2026 – Present

Tiger Global Philippines Inc. | United Kingdom Account

- Curate highly targeted lead databases across specialized professional sectors, including executive, procurement, and industry-transition contacts.
- Conduct all outreach with strong attention to sector compliance, data privacy, and audience-specific communication standards.
- Maintain a clean and organized data pipeline in CRM platforms (HubSpot, Salesforce, GHL), tracking prospects from first touchpoint through qualified sales handoff.
- Utilize LinkedIn Sales Navigator and multichannel prospecting, including specialized directories and cold email campaigns, to secure high-value introductory meetings.

B2B Cold Caller / Outbound Sales Specialist

March 2026 – Present

Tiger Global Philippines Inc. | United Kingdom Account

- Conduct targeted cold outreach to UK business owners, managing high-volume outbound campaigns with a focus on quality engagement and relationship-building.
- Execute sharp discovery questioning to assess business eligibility and financial needs, ensuring alignment with the service portfolio and compliance with standard verification and data privacy practices.

Legal Support Officer

January 2026 – Present

Tiger Global Philippines Inc. | United Kingdom Account (MFN Claims)

- Support the progression of client claims by coordinating and completing Know Your Client (KYC) requirements in line with regulatory and client standards.
- Contact clients to obtain, review, and validate identification documents and proof of address, confirming identity and eligibility prior to claims progressing to the next stage.
- Partner closely with team leaders and operations teams to ensure all client-submitted documentation is accurate, valid, and compliant with internal and external requirements.
- Proactively manage follow-ups and document chases, maintaining clear records that support timely, compliant claims processing.

Operations Coordinator

June 2025 – January 2026

Microsourcing | Australian Account

- Managed 24/7 scheduling for security and technical personnel, ensuring full coverage and zero service gaps for a high-stakes Australian account.
- Served as primary dispatcher for security alerts and medical emergencies, coordinating real-time responses with rapid-response teams.

- Oversaw Security Operations Center (SOC) functions, utilizing surveillance and SIEM tools to identify threats and reduce operational inefficiencies.
- Maintained meticulous security logs and incident reports, delivering data-driven insights to senior management to improve site safety protocols.

Customer Experience Provider (Part-Time)

August 2022 – December 2025

GigCX Marketplace

- Facilitated end-to-end order processing for a quick-service restaurant client, managing food service logistics and limited-time-offer promotions.
- Resolved high-pressure customer complaints by authorizing account credits and compensation, maintaining brand loyalty.
- Reduced average resolution time by proactively coordinating with delivery and kitchen staff on order errors.

Customer Experience Advocate (Streaming Account)

August 2024 – May 2025

Teleperformance

- Earned “Employee of the Month” (September 2024) for maintaining a 98% CSAT score and 96% productivity rate across 100+ daily interactions.
- Resolved complex login, device compatibility, and streaming issues for international subscribers via phone and chat.
- Upsold subscription bundles and upgrades by aligning product features with user viewing habits.
- Documented interactions in Salesforce/Zendesk, providing feedback that helped reduce recurring billing inquiries.

Learning Delivery Associate II

July 2022 – August 2024

Alorica

- Designed and delivered product-specific and cultural sensitivity training programs for new hire classes, improving speed-to-proficiency.
- Developed interactive, asynchronous video training modules that streamlined onboarding.
- Created customized coaching plans for underperforming agents, resulting in measurable improvements in call floor KPIs.
- Served as direct liaison between Training and Operations to align instructional content with real-time client needs.

Customer Experience Agent / CSR (Financial & Moderation)

May 2022 – July 2022

Alorica

- Performed strict identity verification and account activations for high-security financial accounts; educated users on credit limits and fraud prevention.
- Enforced community guidelines and moderated user-generated content for a global social media platform, maintaining full legal compliance.

EDUCATION

Bachelor of Science in Nursing

Emilio Aguinaldo College – Cavite, Dasmariñas | August 2021 – August 2023

Accountancy, Business and Management

Emilio Aguinaldo College – Cavite, Dasmariñas | June 2018 – June 2021

ICT Specialized Track

General Emilio Aguinaldo National High School, Imus, Cavite | June 2015 – June 2018
