Skills

High-performing Operations and Sales Specialist with a distinct track record of driving growth and maintaining strict compliance across UK, Australian, and global accounts. Leveraging dual-engine expertise developed at Tiger Global, effectively combining high-volume B2B cold outreach and highly targeted military/defense list building with rigid KYC/regulatory compliance standards. A data-driven problem solver proficient in major CRM ecosystems, dedicated to turning cold pipelines into qualified handoffs while protecting brand integrity.

Professional Experiences

Tiger Global Philippines Inc | Lead Generation Specialist (Military & Law Enforcement Niche) (United Kingdom Account) June 2026 – Present

- Targeted List Building: Curate highly specific lead databases featuring law enforcement executives, procurement officers, firearms manufacturers, and ex-military personnel transitioning into corporate defense roles.
- Compliance & Discretion: Conduct all outreach with a deep understanding of defense sector compliance, data privacy, and the unique cultural nuances of the military and police communities.
- CRM Management: Maintain clean data pipeline architecture in [HubSpot/Salesforce/GHL], tracking prospects from initial touchpoint to qualified sales handoff.
- Multichannel Prospecting: Utilize LinkedIn Sales Navigator, specialized defense directories, and cold email campaigns to secure high-value introductory meetings.
- Compliance & Discretion: Conduct all outreach with a deep understanding of defense

sector compliance, data privacy, and the unique cultural nuances of the military and police communities.

Tiger Global Philippines Inc | B2B Cold Caller / Outbound Sales Specialist (United Kingdom Account) March 2026 – Present

- B2B Outbound Prospecting: Conduct targeted cold outreach to UK business owners, managing high-volume outbound campaigns with a focus on quality engagement and relationship-building.
- Lead Qualification & Discovery: Execute sharp discovery questions to assess business eligibility, understand financial needs, and ensure alignment with our service portfolio (complying with standard verification and data privacy practices).

Tiger Global Philippines Inc | Legal Support Officer (United Kingdom Account) January 2026 – Present

- Legal Support Officer at MFN Claims, I support the progression of client claims by coordinating and completing Know Your Client (KYC) requirements in line with regulatory and client standards. My role focuses on contacting clients to obtain, review, and validate required identification documents and proof of address to confirm identity and eligibility before claims proceed to the next stage.
- I work closely with team leaders and operational teams to ensure all client-submitted documentation is accurate, valid, and compliant with internal policies and external client requirements. I manage follow-ups and document chases proactively, maintain clear records, and help ensure timelines and compliance standards are met, contributing to a smooth, efficient, and compliant claims process.

MICROSOURCING | Operations Coordinator (Australian Account) June 2025 – January 2026

- Optimized Resource Allocation: Managed 24/7 scheduling for security and technical personnel, ensuring 100% coverage and zero service gaps for a high-stakes Australian account.

- **Emergency Response Coordination:** Acted as the primary dispatcher for security alerts and medical emergencies, coordinating real-time responses with rapid-response teams.
- **System Monitoring:** Oversaw Security Operations Center (SOC) functions, utilizing surveillance and SIEM tools to identify threats and mitigate operational inefficiencies.
- **Data Administration:** Maintained meticulous security logs and incident reports, providing data-driven insights to senior management to improve site safety protocols.

GIGCX MARKETPLACE | Customer Experience Provider (Part-Time) August 2022 –December 2025

- **Virtual Assistance:** Facilitate end-to-end order processing for Swiss Chalet, managing complex food service logistics and LTO (Limited Time Offer) promotions.
- **Conflict Resolution:** Resolve high-pressure customer complaints by authorizing account credits and compensations, maintaining brand loyalty.
- **Efficiency:** Expedite order errors through proactive communication with delivery and kitchen staff, reducing average resolution time.

TELEPERFORMANCE | Customer Experience Advocate (Streaming Account) August 2024 – May 2025

- **Top-Tier Performance:** Earned "Employee of the Month"(Sept 2024) by maintaining a 98% CSAT score and 96% productivity rate across 100+ daily interactions.
- **Technical Troubleshooting:** Resolved complex login, device compatibility, and streaming issues for international Disney+ and Hulu subscribers via phone and chat.
- **Revenue Growth:** Upsold subscription bundles and upgrades by aligning product features with user viewing habits.
- **Data Integrity:** Meticulously documented interactions in Salesforce/Zendesk, providing the product team with feedback that reduced recurring billing inquiries.

ALORICA | Learning Delivery Associate II July 2022 – August 2024

- **Training Development:** Designed and executed product-specific and cultural sensitivity training programs for new hire classes, improving speed-to-proficiency for new agents.
- **Content Creation:** Developed interactive, asynchronous video training modules that streamlined the onboarding process.
- **Performance Coaching:** Created customized action plans for underperforming agents, resulting in measurable improvements in call floor KPIs.
- **Stakeholder Management:** Served as the direct liaison between Training and Operations to ensure all instructional content aligned with real-time client needs.

ALORICA | Customer Experience Agent / CSR (Financial & Moderation) May 2022 – July 2022

- **Financial Security:** Performed strict identity verification and account activations for high-security financial accounts; educated users on credit limits and fraud prevention.
- **Content Moderation:** Safeguarded social media platform integrity by enforcing community guidelines and removing non-compliant content to protect brand reputation.
- **Digital Curation:** Moderated user-generated content for a global social media platform, enforcing community guidelines to remove prohibited content and maintain 100% legal compliance.
